

OUR PROJECT

◆ LARGE FISH COOLER BOX

Volume : 620L
Dimension (WxHxD):
1030x1230x750 mm
Weight : 65 kg

◆ BREADCRUMB CONTAINER

Dimension (WxLxH):
202x1324x427 mm

for industrial bread crumb making machine

◆ CLEANING CART

Dimension (WxLxH):
437x558x902 mm

◆ CAMERA INTELLIGENT ALERT

for inspect the construction process of plumbing.
Helps to reduce operational errors. Make the construction accurate and concise according to the specified standards

Dimension (WxLxH):
660x860x378 mm

◆ IMPROVE QUALITY

RAW MATERIALS

30 YEARS EXPERIENCE FOR ROTO-MOLD TECHNOLOGY AND OEM ARE AVAILABLE

The raw materials are guaranteed and certified genuine by a well-known distributor from Thailand and the USA, SCG (Siam Cement Group).

CERTIFICATE OF CERTIFICATION AND INTERNATIONAL QUALITY

Polyethylene (PE) can withstand low temperatures up to -80 degrees Celsius. suitable for rotational molding process, the products are strong, durable, convenient to make for larger-size.

Polypropylene (PP), which is tougher and more durable than PE, PP can withstand high temperatures up to 140-170 degrees Celsius.

OUR PRIORITY IS QUALITY

All products are meticulously manufactured by hand using high-technology machineries and have passed strict quality control.

◆ ON TIME DELIVERY

◆ BUOY BOX

Dimension (WxH):
640x950 mm

◆ CHEMICAL TANKS

Capacity : 630L
Dimension WxLxH):
1000x1635x920 mm

for use in agriculture

◆ AMMUNITION CONTAINER

Dimension (WxLxH):
248x1262.50x325 mm

◆ BUOY

Dimension (WxH):
1250x 1460.27 mm

◆ TRAFFIC BARRIER

Dimension (WLH) : 500x.1115x505 mm

◆ FOR CUSTOMER SATISFACTION

ONE STOP SERVICE

CLIENTS CAN SIMPLY MAKE THEIR DESIRED DREAM PRODUCT COME TRUE AT OUR ONE-STOP SERVICE

CONSTRUCTION RUBBISH CHUTE

Dimension (WxH):
540x850x1050 mm

It has a high back and sides which helps prevent any debris from falling out of the tunnel so waste can be disposed of safely.

INSULATED ROLL CONTAINER

Volume : 500L
Dimension (WxHxD):
725x855x1765 mm

NON-CFC FOAMING PROCESS BY USING CYCLOPENTANE TO KEEP THE ENVIRONMENT FRIENDLY
